HOME OF CSTD

## QUICK INFORMATION

The benefits of hosting Pin Program examinations are that our partnered certified examiners can examine your students. Hosting one exam session in multiple dance disciplines will now be possible.

### Acrobatics Arts Exams

- Focused on developing motivation, building goals, setting skills, accountability and perfecting technique.
- There are 12 levels under the Acrobatics Arts Examination Program.

### Acrobatics Arts Pin Program

- Compliments the examination program by educating students on musicality and how to seamlessly blend dance and acrobatics.
- Students can take their bronze, silver and gold Pin Level after they have successfully passed the relevant Examination Level in the syllabus.
- For example, the students taking Level 3 Pin must have successfully passed their Level 3 Examination

### For the CSTD Teachers

- To be able to enter a dancer in Acrobatics Arts Examinations, you will need to attend the Teacher Training course conducted by Acrobatics Arts.
- The Teacher Certification Program is taught in two modules.
- Module One Certified teachers can register dancers for exams up to Level 6
- Module Two Certified teachers can register dancers for exams in any level.
- The Acrobatics Arts syllabus can be purchased online. Please log into the Comdance shop and click on the Acrobatics Arts picture. It will then take you to the Acrobatics Arts page where you can purchase the materials. Please use the code **COMDANCE15** to purchase the Acrobatic Arts syllabus program at a discounted price.
